E-Way Bill: A Revolutionary Change in Streamlining the Movement of Goods!

Issuing of the e-Way bill for the movement of goods, more than 50,000 in value, both inter-state and intra-state has been a major change in how the goods transportation functions within the city as well as across the different cities in the country. This has definitely come across as a revolutionary idea on the part of the Government with an endeavour to ensure uniformity in the process of interception or delivery of goods. And also, the confinement, discharge, seizure and confiscation of the goods and the transport.

Earlier, there was no set time duration and procedure for transferring of goods from one place to another, particularly long distance. This had often led to numerous incidences of fraudery on the part of companies as well as drivers and ended up in deceiving the customers, wasting both their time and money. All thanks to the implementation of the e-Way bill off lately, this process has now been streamlined with a specific pre-determined time period for the distance required to be travelled for the movement of goods. For instance, in case of moving the goods from say, Jammu & Kashmir to Kanyakumari would have earlier taken anywhere from a month to 2 months, depending entirely on the discretion of the driver or the transport company. Now, post the e-Way bill format coming into action, there is definitive time duration with respect to distance, being around 100 km per day. Ever since the announcement made on April 01, requiring the individual transporters and companies to produce an e-Way bill before a GST inspector has contributed greatly in visibly reducing any cases of a lapse in the movement of goods. This has benefitted several business firms as well as the end consumer both to a great extent.

Again, with the declaration about the radio frequency devices to be installed in the vehicles for real time tracking through a set GPS system, an increase in the level of ease as well as a definitive decrease in the total cost of moving goods is inevitable. Thereafter,

“e-Way bill has made the process streamlined with a specific pre-determined time period for the distance required to be travelled for the movement of goods.”

companies investing in advanced software for filing of the e-Way bills in a hassle-free manner are also planning on adding this GPS feature for giving the right value-add for its customers.

Further, as the trial phase saw the clear success of e-Way bill implementation in first the inter-state and now the intra-state also, the trade and industry segment has seen a visible boost. And thus, this has certainly paved way for the authorities to think of a single e-Way bill system across the country in the near future. This will be a major step forward in structuring the transport sector in an organized manner, leading to an overall beneficial outcome for India's economy.

विचार भावनाओं तक ले जाते हैं, भावनायें कार्यो तक ले जाती हैं, कार्य परिणामों तक ले जाते हैं

जब आप आदतन शिकायत करते रहते हैं, तो आप जीते - जागते कष्ट आकर्षित करने वाले चुम्बक बन जाते हैं।

अगर आपका लक्ष्य आरामदेह बनना है तो इस बात की संभावना है कि आप कभी अमीर नहीं बन पाएँगे, लेकिन आपका लक्ष्य अमीर बनना है, तो इस बात की संभावना है कि आप बहुत आरामदेह तो बन ही जाएंगे।

सफलता का रहस्य समस्याओं से बचने या उनसे पीछा छुड़ाने या उनसे कतराने की कोशिश करना नहीं है, रहस्य तो खुद को इतना बड़ा बनाना है कि आप किसी भी समस्या से ज्यादा बड़े बन जाए।

जब तक आप यह नहीं दिखा देते कि आप अपने पास की वीजों को संभाल सकते हैं, तब तक आपको और ज्यादा नहीं मिलेगा।

पीएमवीवीवाई (PMVVY) में निवेश की सीमा दोगुनी, योजना २ साल के लिए बढ़ी

वरिष्ठ नागरिकों को कुछ राहत देते हुए सरकार ने प्रधानमंत्री वय वंदना योजना (पीएमवीवीवाई) के तहत निवेश सीमा को दोगुना कर 15 लाख रुपये करने को मंजूरी दे दी है। इससे वरिष्ठ नागरिकों का सामाजिक सुरक्षा कवर बढ़ सकेगा। साथ ही इस योजना में निवेश सीमा को दो साल के लिए बढ़ा दिया गया है।

पीएमवीवीवाई 60 साल और उससे अधिक उम्र के नागरिकों के लिए है। इस योजना में निवेश की समय सीमा 4 मई 2017 से 3 मई 2018 थी। अब इसे बढ़ाकर 31 मार्च 2020 कर दिया गया है। इस योजना के तहत दस साल तक 8 प्रतिशत सालाना रिटर्न की गारंटी के साथ पेंशन सुनिश्चित होती है। इसमें पेंशन मासिक, तिमाही, छिमाही या सालाना आधार पर लेने का विकल्प है। प्रधानमंत्री नरेंद्र मोदी की अध्यक्षता में हुई केंद्रीय मंत्रिमंडल की बैठक में यह फैसला लिया गया।
